How to make a deposit to InstaForex trading account with MasterCard or Visa.

Please note that during this process you will be asked to provide the details of your card and verify your identity. These are the requirements of the payment processor, not InstaForex. Please have <u>your card</u> <u>and identification document</u> ready before you start.

1. Please enter the amount you want to deposit and select the currency of your card.

3. You are forwarded to our processor's webpage. Click 'Buy BTC'.

Please note: you will not receive BTC as a result of the deal. You will get the payment to your trading account in its currency (USD/EUR). BTC is just the processing currency, which is demonstrated for information purpose only.
